Early to Rise Customer Support

Cooking With Wine: A lot of your recipes you cook with wine. I do not like cooking with wine. What is a good alternative? I know the alcohol cooks down some but I choose not to use it for my family.

Honey - 2020-02-06 - Chef Gui Eat More Burn More

If you do not like to cook with wine, then don’t. In all of my recipes, you can replace with stock or water.

I hope this helps.
