Does my access to the exercise program expire?

Stephanie H - 2020-02-20 - in General Questions

You have access to the exercise program on the Early To Rise membership website indefinitely.

This means you are not going to be charged anything further for it and you can continue to log in to the membership site and use it for as long as you want. No expiration date.

****Please note, access on the TT Members site is different and does expire. Expiration date depends on the terms of your subscription.**
