How do I change my password on the members site?

Stephanie H - 2020-02-20 - Membership site Login/Password Questions

1) Login to the members site: https://members.earlytorise.com/

2) In the top right hand corner, click 'My Account'

3) Scroll down

4) Click 'Generate Password'

5) A randomly generated password will appear in the text box.

(If you would like to create your own password, type it over the randomly generated password)

6) If necessary, check the box that says 'Confirm use of weak password'

7) Click 'Update User'
