How do I change my password on the members site?

Stephanie H - 2020-02-20 - in [Membership site Login/Password Questions](#)

- 1) Login to the members site: <https://members.earlytorise.com/>
- 2) In the top right hand corner, click 'My Account'
- 3) Scroll down
- 4) Click 'Generate Password'
- 5) A randomly generated password will appear in the text box.
(If you would like to create your own password, type it over the randomly generated password)
- 6) If necessary, check the box that says 'Confirm use of weak password'
- 7) Click 'Update User'
