Login to the members website

Click 'HomeWorkoutRevolution - Beginner Program'

There is a PDF for how to follow the 4-week beginner program and follow-along videos.

If you would like to skip the beginner program and go straight to the 12-week program:

-From the main dashboard, click 'HomeWorkoutRevolution - 12-Week Workout Program'

-then select the '12-Week Workout Program' (middle PDF)

-In the PDF it will tell you which workout to do each day.

(For example, Day 1: 20/10 Workout # 1—The 12-Minute Bodyweight Workout)

-Then you can find the corresponding workout video on the members site.

(that particular workout would be found here 'HomeWorkoutRevolution - 20/10 Workouts')
