If you purchased your product in ClickBank and are having difficulty locating your download, you can access it by:

Go here:
https://www.clkbank.com/clkbank.htm

Enter your Clickbank order #:
and your email address.

You will be taken to a second page with your Order Details.

In the top right hand corner is a button that says 'Download Now!'

Click the button.

Enter your email address again.

This will take you to the download page.
