What to do if you are injured

Honey - 2020-02-07 - in [Exercise FAQs and Substitutions](#)

Injuries are outside of Craig's scope of expertise. He is not a doctor. And can't answer injury-related questions over the Internet.

When Craig goes to his chiropractor, Dr. Michael Sommers at Evolve Chiropractic in the west end of Toronto, he gives Craig simple, yet effective advice for dealing with the minor injuries.

Please read Craig's article on 'What to do if you are injured' here: <http://www.earlytorise.com/what-to-do-if-you-are-injured/>
