For Turbulence Training 2.0 purchases, do NOT click on the links in the PDFs.
This is a new error that happens and our design team is working on removing all of those links to stop people from clicking them.

What you need to do:

-login to the members website
-click one of these:
If you need the Intro, Beginner, or Intermediate videos: "Turbulence Training 2.0"
If you need the Advanced workout videos: "Turbulence Training – Advanced – 2K3"
If you need the Expert workout videos: "Turbulence Training – Expert – 2K4"
-scroll down and click whichever workout you are currently using "Workout A" "Workout B" etc.
-you will be taken to a page where you can play the video in the browser window
(or if you scroll down you can click the 'Download Video' link to download the video to you computer
